

EFEC Training Plan

Goal: Create a level of awareness that will satisfy certification requirements.

Objectives:

1. Employees will recognize EFEC as our environmental initiative.
2. Employees will recall that a policy is in place and that it can be found posted on communication centers
3. Employees will recognize these components of the initiative as relating to EFEC:
 - Team participation
 - Community outreach
 - Proactive environmental practices and improvements

Implementation:

Presentation in all-employee meetings – including EFEC videotape and distribution of a brochure describing our intent, summarizing the policy, and listing projects.

Posters located throughout the plant highlighting various aspect of EFEC

Unexpected items on tape:

- Recognition program
- Team Participation
